CFL is currently the largest school in program in PSD.

The "YOUR" Highschool program is moving to Spruce Grove Outreach.

1. CORE 5 classes (different arrangement)
2. Parent Partnership - 4 classes

In Parent Partnership there will be four classes and each class grade 1-6 will have two grades. Grades 7-9 will be together.

There are currently 83 students registered for Parent Partnership for the coming year.

We believe there will be renovations done over the summer break to ensure space for another classroom.

It is possible that the morning meetings will stay in each classroom unlike previous years where classes came together for morning meetings in Parent Partnership.

How do we get more parent involvement in the PAC meetings?

-Post Agenda online before meeting

-Post reminder on Facebook week leading up to school

Mentorship program -Creating connections through a mentorship program that connects New families with long term families.

To build community we should have more parents workshops/ collaboration. The Parent Partnership is feeling that this is missing. Leanne will connect with Mrs Sarauer regarding booking more parent workshops.

Fewer School days by increasing school day (4mins for full day school)

Parkland School Division is forecasting a surplus of a couple million. They will be using this money on education needs. This is to ensure that the Alberta government doesn't take away the surplus.

PSD is not piloting the new curriculum.

PSD's Covid costs were 6 million dollars which paid for online schooling, staffing. PPE, etc
