Introduced one of the trustees, Ann Mondgomry, which was at the meeting.

Mrs. Saurur is going to a home ed conference in Red Deer. Would love for some parents to join here, it is a lot of fun every year.

Mrs. Peters has a seed order fundraiser she has handed out to buy trees and plants for the garden.

We will be doing

There is a survey online regarding the budget for Alberta Ed. Feb. 7th is the deadline.

They are looking at name changes for a few of the programs including Stony Creek 1 + 2. It should be catchy and tell what the program is about. We brainstormed ideas regarding both Stony Creek programs, ideas were Stony Creed Core, and Stony Creek Parent Partnership.

Explained why the trustees have never been invited to meetings. Ann spoke about what trustees do at the meetings. They are just there to give information, and not tell us what to do. Seba Beach school may close due to budget cuts. The Government is putting out a law meant to give parents more choice in education. The education committee is coming Tuesday to check out our school.
