### Q1 What are some things you appreciate and some concerns you have about your school and/or Parkland School Division this year?

**Miss regular communication from principal**  
To keep up with what is happening at school especially with COVID restrictions

3.0  (1 )  
Not enough ratings to rank

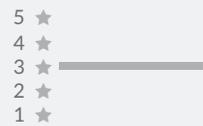

**I don't think the COVID threat has been sufficiently mitigated in schools, mostly because of a lack of government funding.** I know staff and students are trying their best, but the number of school-related cases in Alberta is alarming.

3.0  (1 )  
Not enough ratings to rank

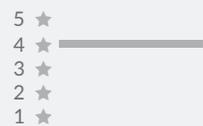

**I appreciate the growing music opportunities at the high school level and hope that the division will continue to support music education.**

Not enough ratings to rank

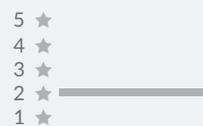

**I appreciate how hard the teachers and staff have had to work to get our children through this difficult school year.**

Not enough ratings to rank

**The age/condition of the school washrooms** Need updating; tiles, sinks, counters, etc.

3.3  (1

**Material Resources Not Provided** Teachers are having to find and personally purchase too many resources from sites like teachers pay teachers.

3.3  (1   
Not enough ratings to rank

2.7  (1   
Not enough ratings to rank

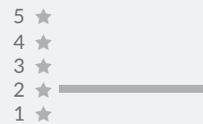

**We have been blessed with absolutely amazing teachers this year.** It has made our children feel safe in these uncertain times.

3.2  (1   
Not enough ratings to rank

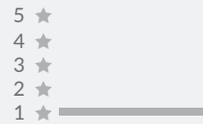

**Online learning expectations are set to high for younger kids** Expecting 6-7 year olds to sit in front of a screen all day is unrealistic. Provide assignments to complete on their own time with fewer Google meets

2.8  (1   
Not enough ratings to rank

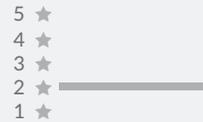

**Allow parent volunteers in the classroom again** This would greatly help the teachers and restore a sense of normalcy. Many parents are wanting to be a part of this child's learning experience

Not enough ratings to rank

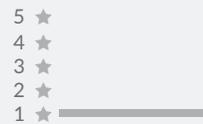

**Caring** Creating an environment where the child feels safe, valued and respected as a community member

2.8  (1 )  
Not enough ratings to rank

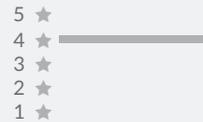

**The school is doing a fantastic job dealing with covid.**

2.7  (1 )  
Not enough ratings to rank

**I appreciate how much our teachers, administrators, and staff care about our kids. I appreciate that our schools are open and kids are in class.** The impacts of kids not being in class may be worse than COVID itself in may respects. Our teachers show that they care by teaching in class.

2.7  (1 )

3.2  (1 )  
Not enough ratings to rank

3.0  (1   
Not enough ratings to rank

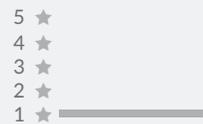

**I am wondering why grade 12 students can't have a grad ceremony & dance at their schoolwhen they are cohorts and spend all day together** Restrictions are easing and will be even more so by May/June. These students have had no sports, disrupted learning and deserve a grad celebration.

2.7  (1

3.0  (1   
Not enough ratings to rank

**I appreciate that the school is keeping my child safe and has limited outbreaks from the virus**

3.0  (2   
Not enough ratings to rank

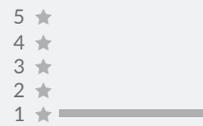

**I am frustrated with lack of guidance with Grade book and the continual "you figure it out". I wish there was a consistent expectation between school** When starting something new there should be a shared understanding of what is expected. There are clear guidelines for gradebook in other divisions.

Not enough ratings to rank

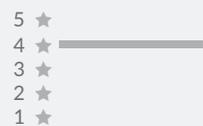

**Most of my concerns are covid related at this time.**

2.7  (1   
Not enough ratings to rank

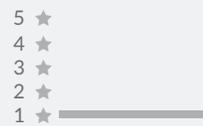

**I dislike the inconsistencies from site to site in our school division. Though I understand different needs at each site mean things look different I also would appreciate some uniform responses to how money is spent, "floating" teachers unattached to classrooms, etc.**

3.2  (1   
Not enough ratings to rank

2.8  (1   
Not enough ratings to rank

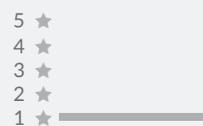

**I am concerned that some programs are losing participation at MCHS, but could, perhaps, fill up again if students were given their second choice.** This is important so that MCHS can continue to offer a large selection of option courses.

2.7  (1   
Not enough ratings to rank

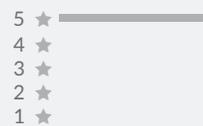

**I appreciate that MCHS has a large amount of course offerings that will enable every student can find something engaging.** This is important because students need to be excited and have something to look forward to at school.

2.7  (1   
Not enough ratings to rank

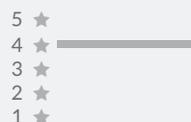

**Standardized Testing (PATS)** There are NO P.A.T exams this year in most of the province. Even EPSB and CBE. Why are we going ahead with 6 and 9 when even diplomas are optional??

3.3  (1   
Not enough ratings to rank

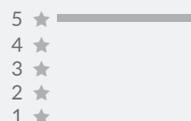

**That the school has provided a clear way forward to have in person school facilitated.**

3.2  (1

3.3  (2   
Not enough ratings to rank

**I appreciate my children being able to ride the bus and attend school in person, as opposed to online learning.** Beyond the academics, they benefit socially and physically so much going to school each day. I cannot fulfill all their needs at home.

**2.7** ★★☆☆☆ (2 👤)  
Not enough ratings to rank

2.7  (1 )  
Not enough ratings to rank

**Online learning should now be the norm on snow days. No need to miss out on even more education due to mother nature.** School is all about preparing kids for adulthood. Most jobs do not accommodate snow days in Alberta. This is more so with older kids.
