Parent Partnership/Core Instagram (and home-ed; questions about FOIPP and not wanting kids on page; main audience will be the kids, parents, immediate community) if FOIPP form has been signed it is assumed child is ok to be in pictures. If parents have concerns regarding student in pictures please let teachers and school know. Main CFL page is public. Main audience is CFL community, parents and students. Social Media is never a source of communication, is a place to share achievements, celebration and build community. Communication comes from school, teachers and email. Additional social media for CFL: CFL parents connect FB page (parent run page). Home Ed with for connections for learning FB page (parent run page).
- e. School Council / PAC (trustee invited as well as at least one parent to represent each program, virtual meetings, dates were sent out as well as link) PAC is programs specific. School council is for CFL. Been low attendance. Would like one person from each PAC to commit to attend. Dates on school calendar.

2) Spirit Wear

- a. CFL, MyPath, PSAA, Stony Creek (Raptors gear maybe by Spring time because of branding plans,, 2 pop-up stores fall/winter, spring/summer, first one will open Nov 3/4 for two weeks, next one March/April min order is 12 per impression with one logo, meant not as a fundraiser, student contest for logos, discussion about re-naming Parent Partnership as “Stony Creek”) Students and parents have expressed desired for raptors apparel. Not possible for first order. Possibly by spring. Supplier will keep track of orders for each logo and markup can go to each program. School could possibly order apparel as gifts/prizes (top up minimums). Discussion on having a design that incorporates all programs or customizable for programs etc.. For November order we will stay with the branding we have.

Decision - CFL, Stony Creek, PSAA, My Path - logo options (maybe Building Futures)
